

Data sheet

refrigerator UKS 1444 A++

Limattec
Küchen- und Haushaltstechnik

Equipment

- **Refrigeration compartment:**
- Abtauautomatik im Kühlteil
- GlassLine storage shelves
- White plastic storage shelves
- egg trays
- fruit/vegetable dish
- interior light
- **Equipment benefits:**
- HardLine door
- The appliance is produced without table top and thus without air vent slots. Therefore, ventilation is to be ensured by ventilation through slots provided in the kitchen worktop.
- Not flush with wall.
- Interchangeable door stop
- Adjustable feet for uneven floor
- without cover plate

Product description

Cool part-title		Cool part:	
Gross- / usful capacity cool part	L	123/109	
BioFresh- title		-	
Gross-/ usful capacity BioFresh	L	-	
Freezing part- title		Freezing part::	
Gross- / usful capacity freezing part	L	14/14	
dimensions- title		Outside dimensions in cm	
dimensions H/W/D:	cm	82,0/50,1/58,0	

Technical specification

Appliances type classification		
Energy efficient index	%	32.9
Energy efficiency class		A++
Energy consumption in 365 days	kWh	138.0
Decibel	dB	40

Dimensions

High	cm	82.0
high without worktop	cm	82.0
Wide	cm	49.7
Width with opened door	cm	
Depth including wall distance / Installed in kitchen	cm	60.0
Depth with opened door or extended drawer	cm	104
Netto weight	kg	33.4
Brutto weight	kg	35.9

Electrical connection

Power supply	V	AC 220-240
Complies with the safety regulations		YES
Mounting, installation instructions	A	0.8 A
		YES
	Hz	50
Release from DKE		YES
Freezing capacity in 24 h	kg	2

Design and identification

Design	Suitable for substructures
Number of outer doors	1
Door stop	Right interchangeable
Decorative frame	-

Equipment

SuperCool	NO
Cool Plus	YES
FAN	NO
On/Off cooling	NO

Appliance properties

Usful capacity, total	L	118
Usful capacity, cool part total	L	104
of which cold storage compartment	L	0
of which refrigerating only	L	104
Usful capacity, freezing part	L	14
Gross capacity, total	L	123
Gross capacity, cool part total	L	109
of which cold storage compartment	L	0
of which refrigerating only	L	109
Gross capacity, freezing part	L	14
Gross / Usful capacity total		123/118
Star rating		4
BioFresh		NEIN
Appliance material		Stahl
Storage period in the event of malfunction	h	10
Klima class		SN-ST
Noise acoustic power	Db(a)	40
Defrosting, cool part		Automatisch
Defrosting freezing part		Manuell
Refrigerant		R 600a
Cooling system cool part		Statisch
Compressor		1

Cool part

Egg trays		10
Butter dish		NO
Door shelves material		Synthetic white
Door compartments with cover		-
Door shelves		3
Shelf in freezer compartment		3
of which adjustable		2
Standing surfaces, cool part		
Compartments in the interior, cool part		Glas
Vegetable trays		
Drawers BioFresh		-
Baskets		1
Bottle shelf		-
Usable height – freezer department		-
Usable width – interior		-
Usable height – storage area		
Interior lightcool part	cm	12.6
Egg trays		
Butter dish	mm	411
Door shelves material		
Door compartments with cover	mm	305
Door shelves		
Shelf in freezer compartment		YES

Control indicator

cool part Normal operation light	-
Temperature indicator cool part	-
Door open: warning signal cool part	-
SuperCool light	NO
Fan control indicator	NO
Bio Cool light	NO
Malfunction: warning signal	-

Freezing part

Ice cube trays	-
Gel ice block	-
Interior freezing part	
Ice cube trays	NO
