

Dimplex ACK 5 U

Technische Daten

mounting	perpendicular to the wall
design type	pressureless hot water tank
nominal volume	5 litres
Heat loss at 65 ° C *	0.29 kWh/24h
Mixed water quantity at 40 ° C *	9,1 Lister
permissible operating pressure	0 MP/bar
Specified load profile	XXS
Energy efficiency class	A
Water heating energy efficiency (η _{wh})	35.0 %
Annual electricity consumption	527 kWh
Daily power consumption	2.49 kWh
Temperature setting of the thermostat e	~ 41 °C
rated capacity	2000 W
nominal voltage	230V~, 50Hz, (1/N/PE)
protection class	I (with protective conductor)
protection	24 (splash-proof)
Water connection spigot metal	3/8 Zoll
Temperature adjustment	10 - 75

Dimensions

Device ground (HxWxD)	256 x 390 x 213 mm
Cardboard mass (HxWxD)	3.5 kg
weight net	8.5 kg
